Cintia's journey into Middle Eastern dances dates back to 1991. In 1995 she began studying Carolena Nericcio's American Tribal Style format. Since then she has been fusing the styles of North African Berber and Andalusian with the flamenco-based ATS movements in her solo dances. In this workshop Cintia will teach her own fusion-inspired interpretation of the "Zambra Mora" (Moorish dance).

Najwa -

A highly respected performer, instructor, and costume diva, Najwa owns Gina's Belly Dance Center in Orangevale and directs and performs with her troupe, "Mystic Caravan." Belly Dance keeps her balanced and grounded. In this workshop she recalls the "Golden Age" of Belly dance with a theatrical choreography that will take your audiences back to Cairo.
